

Matching Gift Companies

Double (or triple) the dollar value of your gift to The SCORE Foundation by taking advantage of your company's matching gifts program. If you worked for one of the corporations listed – or any of their divisions, subsidiaries or affiliated companies – you may be eligible to participate. If your company is not on the list, ask your employer if they have a matching gifts program. You will need to request a **matching gift form** from your company's matching gift officer (usually in the human resources or community relations department) to participate.

If your employer (or parent company) is listed, your gift to an eligible community service or environmental organization could be at least doubled.

Please take a moment to get a matching gift form from your personnel office and follow the directions to initiate a match.

Thank you for making the extra effort - and for your double support!
